Good Morning,

No problem...I know you have a lot going on right now.

I already told Rep. Martinez there might be a timing issue with having a mobile unit in Donna, but you were willing to work with him next year...he is/was very much appreciative of you working with him.

I'll make a note to get with you early next year to discuss possible locations.

Thank you for all you do.

Scott,

I apologize for the late reply. Unfortunately, due to the timing of the units within Hidalgo County and around the State, it looks like we are not able to add a site in Donna today or tomorrow. However, as I stated below, when we are in the process of working on this project for the March 2014 primary election and the November 2014 general election, we would very much appreciate your input (along with that of Representative Martinez and the Hidalgo County elections department) in selecting locations that can best serve the citizens of Hidalgo County.

If I can provide any additional assistance or information on our program, please do not hesitate to let me know.

Best,
Wroe Jackson

Scott,

Thank you so much for your email. I apologize for the late response; I'm working remotely today.

We have worked with both DPS and Hidalgo County in setting up the locations for EIC mobile stations. I'm happy to check to see if there is a site to use in Donna, but with only three days next week of mobile stations planned in Hidalgo County, it may not be possible. I'll get back with you on Monday when I know more.

Regardless, we are planning on using mobile EIC stations in advance of both the March 2014 primaries and the November 2014 and can certainly work with you and Representative Martinez on how best to provide services to Hidalgo County.

Again, thank you for your email and I'll look forward to speaking with you on Monday.

Best,
Wroe

Hello Wroe,

First, thank you very much for setting up the mobile station at various locations in Rep. Martinez' district.

Rep. Martinez would like to see if a mobile station could also be set up in Donna. Donna is a town located between Weslaco and San Juan.

Please let me know if this is possible.

Also, if there is anything we can do to help facilitate this request, please let me know.

Thank you,
